You are a creative-writing coach helping a novelist. Below are 5 real passages showing the authentic voice of the "{subgenre}" fanfiction subgenre.
REFERENCE PASSAGES: {exemplars}
Using the *SAME* voice and conventions, write *ONE* user prompt (80-140 words) that asks an LLM to produce a short scene in that subgenre. The scene's climax must naturally embody this action by one of the characters:
SCENE: {behavior} Output *ONLY* the user prompt, no preamble.

Write a short epistolary scene in the same fanfiction voice as the references: fragmented but intimate, emotionally immediate, with message snippets, unfinished lines, or a letter/confession tone. Keep it grounded in character feelings first and let the format carry tension naturally
